

NEWSLETTER

• First Quarter

We are glad for the first quarter of the year, as it brings new opportunities and fresh perspectives. As we reflect on the achievements of the past months, we look forward to building on these successes and facing new challenges with enthusiasm and determination. It is a time for growth, both personally and as a Church in general, and we are excited to see what the rest of the year holds for us.

• Pastors Desk

I want to thank God for the far He has brought us as a church and for the growth we've experienced. As the leader of Cornerstone Family Chapel, I have witnessed firsthand the dedication and commitment of our congregation. Each member has played a vital role in fostering a loving and supportive community that reflects God's love and grace. Through our collective efforts, we have not only deepened our faith but also reached out to those in need, sharing the message of hope and salvation. It is a blessing to see our ministries flourish, and I am excited about the future that God has in store for us as we continue to serve Him and one another with open hearts and open minds. Let us keep pressing forward and striving for excellence in all that we do, knowing that with God at the center, we can achieve great things together.

The Good Soil Conference

2nd February – 4th February 2026

It also centered around spiritual growth and discipleship. It featured multiple sessions on prayer, Bible study, and personal testimonies, fostering an environment of encouragement and support. Attendees felt revitalized and equipped to deepen their faith and share it with others. Both events were well-attended and provided valuable opportunities for fellowship, learning, and growth within our church communities.

The Good soil been a Bible-study manual, as a church we have adopted it as one of our Bible study material for the whole church to soak in the Word of God.

In this Quarter of the year, we had Powerful Major Conferences at the Church.

The first conference, focused on community outreach, brought together members from various congregations to discuss ways to better serve our local Churches. We had inspiring speakers and a team from Rabbit Creek Church Alaska who shared their experiences and challenges, and workshops that encouraged participants to brainstorm and collaborate on new initiatives.

Epik Pastors & Leaders Conference 4th March-6th March 2026

This profound conference dubbed Epik (Equipping Pastors in Kenya) has been of great success, having been held in previous years. Each iteration brings together pastors and church leaders from various backgrounds, fostering an environment of learning, collaboration, and spiritual growth. Attendees have found the workshops and keynote speeches particularly enriching, as they address pressing issues in ministry and provide practical tools for effective leadership. The sense of community that develops throughout the conference encourages ongoing relationships among participants, paving the way for future partnerships and support networks. As we look forward to this year's event, the excitement is palpable, with a lineup of esteemed speakers and innovative sessions designed to inspire and equip the next generation of church leaders.

The quest for knowledge to lead their Church's has been of immense importance throughout history. As they strive to understand the complexities of faith, ethics, and human behavior, leaders have sought wisdom from various sources, including scripture, theological writings, and the experiences of their congregations. This pursuit is not merely an academic endeavor but a profound journey that shapes the beliefs and practices of the faithful. In this mission, the Church embraces dialogue with scholars and other faith traditions, recognizing that the search for truth often transcends disciplinary boundaries. Education programs and theological seminars have been established to equip clergy and laity alike with the insights necessary for effective ministry.

The Marriage Conference
7th March 2026

The Third conference was centered towards Family growth and enrichment, which was dubbed the Marriage Conference. This event aimed to bring couples together to explore various aspects of their relationships, enhance their communication skills, and strengthen their bonds. Workshops focused on topics such as conflict resolution, shared goals, and effective parenting strategies were offered to attendees. Experts in the field shared insightful lessons, personal experiences, and practical tools to help couples navigate the challenges of married life.

Additionally, there were opportunities for networking, allowing couples to connect with others facing similar experiences. The conference concluded with a heartfelt keynote address that emphasized the importance of love, commitment, and partnership in fostering a thriving family environment. Participants left feeling inspired and equipped with new strategies to nurture their relationships and promote family unity.

Christine Wahome
Head of Education & Membership

CHURCH MEMBERSHIP

Membership Class have been an experience of change, offering individuals the opportunity to grow, learn, and connect with one another in meaningful ways. Throughout the sessions, participants have engaged in discussions that challenge their perspectives and encourage personal development. Each class has brought forth new insights, allowing members to explore their values and beliefs, fostering a sense of community and belonging.

Testimonies of how impactful the Membership class has been often highlight the transformative experiences of participants. Many individuals have reported significant personal growth, as they discovered new perspectives and gained valuable insights through engaging discussions and activities. The sense of community fostered within the class has allowed members to build lasting friendships and support networks, creating a more enriching environment for everyone involved.

The feedback emphasizes the importance of collaboration and shared experiences, which have contributed to an overall sense of belonging and empowerment among the members. Additionally, the class has inspired many to take on leadership

TREMENDOUS BIBLE TEACHINGS

We had a wonderful time in learning the Word of God going through different study materials and through the Leadership of Christine Wahome. We've seen great impact as we delved deeper into the scriptures, discussing various passages and their applications in our daily lives. The enriching conversations fostered a sense of community among us, and we were able to share our insights and personal experiences, which further strengthened our understanding of God's teachings. Each session brought new revelations and encouraged us to apply what we learned in our own lives, fostering spiritual growth and a stronger faith as we journeyed together in this learning process.

The transformative nature of these classes has inspired many to take on leadership roles and contribute positively to their surroundings. As friendships have blossomed and knowledge has been shared, the impact of the Membership Class will be felt far beyond its duration, creating lasting bonds and empowering individuals to be catalysts for change in their communities.

CHILDREN & TEENS MINISTRY

The Children ministry through the lead of Joyce have been of great impact to the little ones. Under her guidance, they have created numerous engaging programs designed to nurture not only their spiritual growth but also their emotional and social development. Weekly gatherings have become a highlight for many, where stories from the Bible are shared in fun and creative ways, helping the children to relate them to their own lives.

Joyce has also implemented interactive activities that encourage teamwork, cooperation, and friendship among the children. This has fostered a sense of community within the ministry, allowing the little ones to build meaningful relationships with their peers. In addition, parents have expressed gratitude for the positive changes they have seen in their children since joining the ministry, noting increased confidence and a stronger moral foundation.

Furthermore, the ministry hopes to organize seasonal events and outreach programs that not only enrich the children's experience but also involve the larger community. These events often include performances, workshops, and opportunities for service, which teach the children the value of giving and helping others. Through all these efforts, Joyce and her team continue to leave a lasting impact on the lives of the children, helping them to grow into compassionate, caring individuals.

By the end of the year, we hope to create a place for the kids to worship, possibly in an enclosed place where they can feel safe and connected to their beliefs. This space would be designed to foster a sense of community, allowing the children to gather, share their thoughts, and participate in activities that strengthen their understanding of spirituality.

We envision it as a welcoming environment, filled with resources and materials that will help them learn and grow in their faith. It will also serve as a space for group activities, discussions, and celebrations, making it an integral part of their spiritual journey.

Praise & Worship ministry

PRAISING AT ITS BEST.

We thank God for the Praise & Worship team that has given themselves in the ministry, dedicating their time, talents, and hearts to uplift our spirits and lead us into His presence. Their commitment to honing their skills and creating an atmosphere of worship reflects their deep love for God and their desire to serve the congregation. Through their melodies and harmonies, they inspire us to connect with the divine, fostering a sense of community and shared faith. We appreciate their hard work behind the scenes, from selecting songs to rehearsing tirelessly, all to ensure that our worship experience is meaningful and impactful. May they continue to be blessed as they bless others.

We pray that God will keep giving them strength to keep serving in the church, guiding their actions and decisions with wisdom and grace. May they find joy in their service, and may their dedication inspire others to join in the mission of love and support within the community. We ask that their efforts bear fruit, touching the lives of many and fostering a spirit of unity and fellowship among all members. Through trials and tribulations, may they remain steadfast in their faith and continue to have the courage to face challenges with perseverance.

Events Highlights

► Music Extravaganza

► worship Night

► Hymn Sunday

► Playing the tunes

MEDIA TEAM

SPREADING THE WORD THROUGH VISUAL

Recently we were blessed with some equipment that would enable us to go live in our services. We also got a big screen for the Bible verse and songs display. This addition is not only exciting but also enhances our worship experience, allowing us to connect more deeply with our congregation. The ability to broadcast our services live means that those who are unable to attend in person can still participate and feel part of our community. The big screen will help everyone follow along with the lyrics and scripture, making it easier for all to engage in the worship.

We are looking forward to using this new technology to spread our message further and invite more people to join us in praise and worship. The potential for outreach is vast, and we are eager to embrace this opportunity.

The Team has been so committed in being professional in making sure that our live sessions are engaging and informative for all participants. They have put in countless hours of preparation, ensuring that every detail is meticulously planned and executed. From setting up the technology to crafting thoughtful agendas, their dedication is evident. Each member plays a crucial role, whether it's facilitating discussions, managing questions from the audience, or providing technical support.

Their hard work not only enhances the overall experience but also builds a strong sense of community among attendees. We are grateful for their relentless efforts and passion in creating a welcoming atmosphere that fosters meaningful interactions.

MEDICAL CAMP 27TH MARCH-30TH MARCH

Community Outreach

ALICE WANJIRU
MEDICAL CAMP CHIEF ORGANISER

Over the last two years we had Medical Camps that have been so successful. It's been a community reach out and one way to evangelize Christ and the power of his Love.

This year's Medical Camp was sort of very special. Through the leadership of Alice, We saw a remarkable turnout, with many community members coming together not just to receive medical assistance but also to engage in discussions about health, wellness, and spirituality. The atmosphere was filled with hope and joy as volunteers and healthcare professionals worked side by side, providing not only medical care but also sharing the message of love and compassion that Christ embodies.

It was heartwarming to see families supporting one another and children receiving care with smiles on their faces. Many shared testimonies of how their lives had been positively impacted by the previous camps, and this year's event was no exception. We had various health screenings, workshops, and wellness activities that empowered individuals to take charge of their health.

SPREADING THE LOVE OF CHRIST

The sense of community was palpable, as we all came together to serve and uplift one another in both physical and spiritual health. The volunteers expressed their gratitude for the opportunity to serve, and many commented on how fulfilling it was to give back and see the direct impact of their efforts. This camp not only provided essential medical services but also strengthened the bonds of community as we celebrated the love and grace of Christ in action.

The Church members who have themselves to volunteers often find a profound sense of purpose and community engagement. They dedicate their time and skills to various outreach programs,

helping those in need within their local neighbourhood & beyond. These initiatives can range from food drives and shelter support to educational programs for underprivileged children.

CELEBRATING OUR DEDICATED TEAM

TEAM BEHIND SUCCESS

In their roles as volunteers, these members not only contribute to the betterment of society but also strengthen their bonds with one another, fostering a spirit of camaraderie and collaboration. Many share stories of personal growth and transformation that come from serving others, highlighting the mutual benefits of volunteerism for both the community and the volunteers themselves.

DEDICATION TO SUCCESS

The Church encourages its members to embrace this calling, emphasizing that acts of service can take many forms. Whether through organized events or spontaneous acts of kindness, each contribution plays a vital part in building a more compassionate world. As they work together, they embody the core values of their faith, demonstrating love, kindness, and generosity in action.

community outreach

it was a joy to paint one of our church members' houses with beautiful colors. The sun was shining brightly, enhancing the vibrant hues we had selected. As we worked together, laughter and conversations filled the air, creating a warm and friendly atmosphere. Each stroke of the brush brought the walls to life, transforming the space into a welcoming haven. Neighbors stopped by to admire our progress, and the sense of community grew stronger with each passing moment. It was not just about the paint; it was about fostering connections and serving one another, bringing everyone closer as we shared this rewarding experience. The finished house reflected not only our hard work but also the love and support that binds our church family together.

Touching lives of the people around us as a church has been a vital aspect of our mission. Through acts of kindness, community service, and meaningful connections, we strive to create an environment where everyone feels valued and cared for. Our commitment to uplifting one another allows us to foster a sense of belonging and support that extends beyond our walls. By engaging in outreach programs, providing assistance to those in need, and offering a listening ear, we not only fulfill our spiritual obligations but also enrich our own lives in the process. Each interaction becomes an opportunity to share love, hope, and inspiration, reminding us of the profound impact we can have on each other's journeys. As we continue to grow together, we remain dedicated to this purpose, seeking to be a beacon of light in our community and beyond.

CURRENT NEED

As a church, we still have some pending issues and things that would make us whole, if not all fine. We still need some things for our ministries to stand.

- We hope to construct a Children's Church block where our younger members can learn, grow, and engage in nurturing activities that strengthen their faith. This dedicated space would provide them with age-appropriate teachings, stories, and play areas designed to foster their spiritual development and connection to the church community.
- A few months ago we hoped to complete the setup of our clinic, but due to a shortage of finances, the project stalled. We are eager to serve our community better through this clinic, providing essential health services that are greatly needed. It is disheartening to see this initiative on hold, as it has the potential to make a significant impact on many lives. We believe that with the right resources, we can offer support for various health challenges faced by our members and neighbors, promoting overall wellness.
- The media space needs some air conditioners, as the room tends to be quite hot, making the place unbearable, and our equipment can develop some mechanical problems. This has been affecting our ability to deliver quality services, as both our staff and volunteers struggle to work efficiently in such conditions. Providing a comfortable working environment is essential for the creativity and productivity of our media team, allowing them to produce impactful content that can reach and inspire our congregation.
- We also need a cage for our drum set. Recently, we have had loads of noise in our play due to uncaged drum sets. The lack of proper sound management has led to challenges in our worship services, making it difficult to fully appreciate the music. We would like to cage them for quality sound projection, ensuring that the congregation can enjoy a harmonious and uplifting experience during our services. Proper sound control will not only improve the auditory experience but also enhance the atmosphere of worship, allowing us all to focus on the message being delivered through music.

These improvements and additions would greatly enhance our ability to serve our community and enrich the spiritual experiences of our members. We are hopeful that with support and commitment, we can address these needs and continue to foster a welcoming and effective church environment. Additionally, we envision cultivating relationships within our congregation and beyond, uniting our efforts to uplift each other and spread positivity throughout our community. By coming together, we can create a lasting impact that resonates far beyond our immediate surroundings.
